Mr. Benson,

As an active participant in developing the TYP to End Homelessness in Jackson county and Region 7, I would like to advocate that MSHDA set aside tax credit dollars as follows:

--30% of the annual tax credit authority be set aside to develop housing for the homeless and special needs population
--10% of the units in all developments be targeted to incomes at or below 30% area median income for those who are homeless and have special needs.

Thank you for your consideration of this matter.
